

COVID-19 RESPONSE

At Jada Jay Entertainment the health and safety of our staff and clients are our top priority. With the COVID-19 virus having an increasing impact in our community, we want to let you know how our business is addressing this situation.

Currently, our staff is working remotely which means all classes, audition coaching, and readings will be conducted virtually. We are available for phone calls, requests, and appointments during business hours by phone and video conference only. We are currently closed for in-person appointments and meetings, however for in person self-tape auditions we require that you obtain a negative PCR covid test two days prior to meeting in person and email your results to jadajayent@gmail.com before your scheduled audition filming time. All staff members and clients must wear a face mask during self-tape filming appointments, however when clients are on camera being filmed, they can remove their mask for the remainder of their time being filmed.

Our current hours of operation are Monday – Friday from 10:00am to 6:00pm. During this difficult time, we are committed to serving our clients and staff with care and consideration. We will continue to monitor the situation and take precautionary measures to promote the health and safety of our staff and clients. Thank you for being a valued client and for your continued trust as we manage through this time together. If you have any questions or need further assistance, please call us at (682) 422-9110 or email us at jadajayent@gmail.com
